# Raymond J. Wysocki

Associate AIA  
Technical Staff I

## About Raymond

Raymond J. Wysocki is a member of the building enclosure architectural staff at Rath's, Rath's & Johnson, Inc. He is engaged in field investigations and architectural document review.

While earning his architectural degrees at the University of Illinois at Urbana-Champaign, he pursued a Concentration in Building Performance and a Certificate in Tall Building Design. During his graduate studies, Raymond taught sophomore-level technical courses as a Teaching Assistant for the University of Illinois School of Architecture.
