UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN
Master of Architecture, Building Performance Concentration

Bachelor of Science in Architectural Sciences

EXPERTISE

- Field Investigation
- Testing
- Condition Assessment
- Document Review

PROFILE

Ean M. Graff is part of the building enclosure architectural team at Raths, Raths & Johnson, Inc., specializing in field investigations and the review of architectural documents. His work frequently includes on-site testing, inspections, drawing development, thermal detail modeling, and document review. Before joining RRJ, Ean interned at Wiss, Janney, Elstner Associates, Inc. in their Chicago office. He earned both a Bachelor of Science in Architectural Studies and a Master of Architecture with a concentration in Building Performance from the University of Illinois at Urbana-Champaign. While at the University of Illinois, he also served as a graduate assistant in the Digital Fabrication Shops within the School of Architecture.
